Downtown Scarecrow Contest Winners Announced

All 25 Contest Entries Recognized

SEGUIN, Texas – The Seguin Main Street Program is happy to announce the winners of the 2014 Downtown Scarecrow Decorating Contest.

“The judges of the annual Downtown Scarecrow Contest had a difficult job ahead of them with a record breaking 25 participants in this year’s contest,” Seguin Main Street Program Director Kyle Kramm said. “It was a task that judges Thalia Stautzenberger, Terry Trevino, and Cathy Jackson were willing to undertake.”

The annual scarecrow competition invites businesses, organizations and individuals throughout Seguin to set up a scarecrow display in a downtown window. The competition is a chance for businesses and organizations to showcase their creativity and market themselves to the community.

The competition is held in conjunction with the Guadalupe County Fair and PRCA Rodeo and co-sponsored by the Seguin Main Street Program and the Guadalupe County Fair Association. Main Street and the Fair Association thank all the participants and invite everyone to visit downtown to see all the unique and creative displays.
